

REDMOND TECH ORCHESTRA 2026-27 SPONSORSHIP PROPOSAL

Supporting music and community

Welcome to the Redmond Tech Orchestra

The Redmond Tech Orchestra (RTO) invites you to partner with us for our 2026-27 season. As a distinguished 501(c)(3) nonprofit organization, RTO is dedicated to enriching the cultural landscape of our community through exceptional musical performances. Founded by passionate Microsoft employees, we are proud to present 3-4 captivating concerts annually, drawing an audience of over 3,000 attendees per event.

Our mission is to make high-quality orchestral music accessible and enjoyable for everyone. We are seeking sponsors to help us continue this tradition and expand our reach. Your support will not only enhance our artistic endeavors but also provide valuable visibility for your business among a diverse and engaged audience.

Sponsorship Opportunities

We offer a range of sponsorship packages tailored to meet the needs of local small businesses, regional companies, and large corporate sponsors. Our packages are designed to provide significant value and visibility, ensuring your brand is associated with artistic excellence and community engagement.

Local Small Businesses - Connecting with Community & Customers

Why RTO?

Local small businesses thrive on community connections and customer loyalty. RTO concerts bring hundreds of local residents together for a shared cultural experience—families, seniors, and professionals who often dine or shop nearby as part of their concert outing. As a sponsor, you gain direct visibility with these potential customers in a positive, lively setting. By supporting RTO, your business is seen as a true community champion, helping keep live music accessible and affordable for all. This boosts your brand's goodwill and differentiates you as a locally engaged, family-friendly business. Audiences frequently express gratitude that RTO performances are free or low-cost, making them “affordable for retired seniors and families.”

- **Stronger Community Presence:** Annual sponsorship ensures repeated exposure across all RTO concerts in a year, reinforcing your brand with our loyal audience. Over 95% of attendees are “very likely” to attend again or recommend our concerts. Instead of reaching approximately 1,000 people at one event, you'll connect with 3,000+ attendees across an entire season.
- **Enhanced Engagement:** Higher tier sponsors unlock on-site promotion (tables, booths) and more personalized recognition—invaluable for driving customer traffic and personal connections.

Mid-Size Regional Companies - Building Brand & Community Presence

Why RTO?

For growing companies and regional brands, RTO offers high-value exposure and CSR alignment. Our audience represents the Eastside's diverse community: families, professionals, and culturally engaged residents who appreciate sponsors that support local arts. Audience feedback frequently cites gratitude for companies who make these concerts possible. Sponsoring RTO elevates your brand's visibility across the region and demonstrates corporate social responsibility, showing that your company invests in community enrichment and inclusivity. The orchestra's welcoming, family-friendly environment—with dynamic programming from classic symphonies to film and game music—lets you connect your brand to positive shared experiences and emotional moments. Sponsorship also provides networking opportunities and fosters pride among your employees, who enjoy seeing their employer support beloved local events.

- **Season-Long Impact:** An annual sponsorship amplifies your reach and message across every concert, maximizing brand recall. It also cements your status as a leading community partner year-round, rather than just at a single event.
- **High-Tier Benefits:** Premium tiers (Gold/Diamond) offer wider recognition—more social media promotion, larger program ads, prime logo placement—which can significantly boost your brand's share of voice in our marketing channels and at events.

Large Corporate Sponsors - Thought Leadership & Community

Why RTO?

For major corporations, especially in tech or with Eastside headquarters, sponsoring RTO is a powerful way to demonstrate community leadership, support the arts, and engage the tech community. RTO's origin as a volunteer orchestra founded by Microsoft employees—blending technology professionals and skilled musicians—gives it a unique story that resonates with tech audiences. Our concerts attract a high proportion of tech industry families and employees, providing a relaxed cultural experience that complements life in a tech hub. Your sponsorship aligns your brand with innovation, creativity, and community values. It also offers tangible employee engagement opportunities (VIP concert experiences, team volunteering) that can boost morale and pride internally. By supporting RTO, your company will be seen as an inclusive patron of the arts—fostering diversity (STEAM education, cross-cultural experiences) and enhancing your corporate social responsibility profile in the region.

- **Title Sponsorship:** The top annual tier positions your company as the lead partner for the season, with the broadest recognition, strongest community visibility, and the richest employee engagement opportunities.
- **Deep Employee & Community Engagement:** Higher tiers can extend beyond logo placement to include volunteer opportunities, hosted experiences, and co-branded community impact moments that reinforce your values internally and externally.
